About Us

Constantly, striving to master the art of erection as well as production of FRP & GRC, we, **Om Prefeb**, are working in the vertical. Not just this, we are also focusing on earning the complete trust and loyalty of our clients. Focusing on producing the best and taking care of clients requirements, our enterprise has gained a highly respected position in the Indian marketplace. We are renowned for bringing forth quality accredited **Rubber Molds, GRC Capitals, GRC Cornices**, etc., at the forefront of this competitive market. At our **(Udaipur) Rajasthan** based plant, each and every production step is completed with care and perfection, adhering to the standards and guidelines of the industry. It is our responsibility to assure that only a seamless variety of FRP and GRC based products leave our unit. Over the past 8 years of our operation as a **manufacturer** and **supplier** in the market, we have honed our skills to perfection and expanded our knowledge of the FRP & GRC domains. With the support of both, we aim to provide maximum gratification and benefits to our precious clientele. Along with this, we also promise to render quality installation services after sale.

Our Team

Our company is supported by a professional and talented team of experts. Each expert recruited by our management is a valuable asset to our enterprise. They work in harmony with each other and promise to complete each job seamlessly and efficiently. Fulfilling the promises, they help our business enterprise in accomplishing its organizational goals. The team working at our enterprise put in all their efforts to render an excellent performance. They constantly strive to improve and widen their knowledge of the domain. Further, each member of our company works in an ethical manner, valuing customers Rubber Molds, GRC Cornices and many other requirements.
